CERTARA

# Phoenix User Group Meeting 2023

## *February 7 - 9, Milan (Italy)*

## Why attend:

- Get exposure to cutting edge science and hear from our keynote speakers Dr. Cardot and Dr. Gehring
- Hear about our vision for the future of the Phoenix platform and how we plan to continue to support our customers in their digital transformation
- Meet your peers in leading pharmaceutical companies and learn how they address their PK/PD challenges with Phoenix
- Gain a deeper understanding of the Phoenix platform with hands-on training on Phoenix Hosted
- Provide feedback on the direction our software is taking and influence development priorities

## Who should attend:

Pharmacometricians, DMPK Scientists, Clinical Pharmacologists, Discovery Scientists, Clinical Data Manager, Heads of Research Development Departments, Chief Information Officers, Chief Scientific Officers, Heads of R&D IT, Heads of R&D
